Dear Supporter,

On December 9, 2009 Jason Kirby, husband, father of two, son, brother, firefighter, EMT, youth coach, community supporter and good friend, passed away unexpectedly at age 37.

For 18 years, Jason was a member of the Washington Township fire department serving as a part-paid volunteer fire-fighter and EMT. He was an active member and officer of the Washington Township Fire Fighters Association and an assistant fire instructor and advisor to the Explorers Post 3369. Jason's passion for the fire service carried over to his job as Regional Sales Manager for Lion Apparel.

Jason had been actively involved in coaching Wee Elks Football and Youth Wrestling. He served on the Wee Elks Board and ardently helped in fund raising for the Wee Elks so that all children could afford and were given the opportunity to play sports.

As a result of our past Golf Outings, we have been able to aide over **300 boys and girls** from the following organizations:

- Wee Vikings football and cheer
- Wee Elks football and cheer
- Hustle Basketball
- Little League Baseball

We also have supported "Kids Camp" for children of Fallen Firefighters as well as awarding 8 scholarships to graduating high school seniors pursuing a degree in a fire related field.

In order to continue this tradition, the Seventh Annual Jason Kirby Memorial Golf Outing will take place at The Golf Club @ Yankee Trace on Friday, July 29, 2016. We hope you will continue to honor Jason and assist us in making this another successful event.

Not a golfer, that's no problem, we would greatly appreciate a sponsorship, donation, auction item or raffle prize. We are a 501(c)(3) organization through the Warren County Foundation (31-1565086).

We thank you in advance for your support and look forward to seeing you in July!

Sincerely,

The Kirby Family and Friends
