

Wee Vikes Football Coaches and Cheer Advisors Incident Report

In order to better serve the Wee Vikes Football Coaches and Cheer Advisors, the Wee Vikes has made this form available to all Coaches and Advisors to report any incident occurring at a practice, game or other Wee Vikes function that is a result of an incident between a Coach and a player, a parent, a Referee, an opposing Team's Coach or parent or player. If more than one Coach is involved in the incident, please list ALL Coaches with the Head Coach or Cheer Advisor listed first. This Report will be used by the Athletic Director and Wee Vikes Board to use as official notification of any incident that may be deemed as inappropriate concerning Football and Cheer Coaches due to a breakdown in sportsmanship or due to rules violations. In the event any incident occurs, all Coaches involved shall complete this form and return it to the Athletic Director within one day of the incident. Per Wee Vikes By Law 14.3 (A): "Any coach receiving an "unsportsmanlike" penalty must submit a written explanation to the Athletic Director by 9:00 PM on the evening that he/she received the penalty. Any coach receiving an "unsportsmanlike" penalty will receive an automatic one (1) game suspension, pending review by the WEE VIKES President and Athletic Director, to be served during that coach's next team game. Any team to receive two (2) "unsportsmanlike" penalties in one (1) game will result on a one (1) game suspension of that team's Head Coach in addition to the above." This By Law applies to Cheer Advisors too.
